The new Sober Mule

We are hosting our first cruise night around the new Sober Mule. We hope you'll enjoy this new larger facility which can provide a comfortable dining area to enjoy sit down meal as well as our favourite 'walkabout' food' were all familiar with. It is planned for the new building to be licensed for a full beverage service but they're awaiting final approval. Of course there's also a larger outdoor area and adjacent children's playground. Unfortunately, the weather gods are still cranky with us for some reason and that is sure keep most cars home in their garages tonight. As a result, there will be a limited menu available for tonight. Hopefully the choice will still offer you something to enjoy. A better weather forecast means greater entrant numbers which can justify a larger menu selection. In the coming months, look out for changes to the gate entry and parking areas set aside on arrival. There's also a new ALDI opening which will operate during the cruise night.
