### **Let's Go Cruisin Members 'Tie the Knot'**

It was a first for the LGC team when two members recently married while on holiday. Peter Koning and Maree Wells decided 'it was time' when relaxing in Vanuatu. Peter is well known as not only the founder of Hoppers Stoppers, but since retiring, has worked tirelessly as the ASRF's state and more recently, National Technical Advisor. Maree also recently retired, decided Peter was the man to build their lives together. Maree has already contributed to our hobby not only as a LGC committee member, but also volunteering across the whole Easter weekend at the recent ASRF's Street Rod Nationals.

We wish Peter and Maree every happiness.

Congratulations from all of us at LGC.
